

### how to score:

- See how many times you can touch the objects in 30 seconds.
- Swap roles and see who can touch the most objects in the given time.

### how to play:

- One person starts in a press up position with 3 objects out in front of them.
- Number the objects.
- Another person calls out the numbers at random.
- When a number is called out, you must touch the corresponding object.
