

Collective Worship at home

Each week in school we share in collective worship by gathering together to worship, pray and sing during Mass. We encourage you to carry on collective worship at home with your families.

There is no need for a theme. You could create a prayer area in your home, light a candle with your parents, offer some pictures, read some scripture, pray quietly or out loud together, sing your favourite hymn and most importantly – enjoy being together as a family.

Here are the dates when your classes will be joining in.
