

St. Martin de Porres RC Primary School E-Safety Policy Appendix F

Parents / Carers:

Parents / Carers play a crucial role in ensuring that their children understand the need to use the internet / mobile devices in an appropriate way. Research shows that many parents and carers do not fully understand the issues and are less experienced in the use of ICT than their children. The school will therefore take every opportunity to help parents understand these issues through parents' meetings, newsletters, letters, website / VLE and information about national / local e-safety campaigns / literature. Parents and carers will be responsible for:

- *endorsing (by signature) the Pupil Acceptable Use Policy*
- *accessing the school website / VLE / on-line pupil records in accordance with the relevant school Acceptable Use Policy (AUP).*

Community Users:

Community Users who access school ICT systems / website / VLE as part of the Extended School provision will be expected to sign a Community User AUP before being provided with access to school systems. They will be advised of the policies, filtering and monitoring that is in place.
