

**Dear Year 4**

**As you know, this year, our school has been celebrating 50 years of being open. We have done things to celebrate including some art work for the playground and a special Mass led by the Archbishop.**

**We would like to create a time capsule, to be opened in 50 years. We will put some objects in it which reflect Britain and our local area in 2020. I would like all the children to write an autobiography, describing themselves, their memories, school experiences and the things they like to do when they are not at school. You are going to work with the adults in your class to learn about how you might do this writing and then we'll put it in the time capsule. I look forward to reading your writing.**

**Mr. Gray**
