... so very much for all the gifts you gave to the staff at the end of this school year. We are all very grateful and touched by your kindness.

If any parent has any time next Tuesday 23rd, Thursday 25th or Friday 26th July and would like to work on the School Garden project, we will be laying the final beds. If are you able to come, you are welcome to bring your children to help as well.

Finally, let me take this final Newsletter of the academic school year to thank you all, as a school community, for your hard work and support this year. Children have all worked extremely hard and have produced work, productions, assemblies and sporting achievements that we are all immensely proud of. As parents, you have supported your children and the school in incredible ways.

Please have a wonderful summer break. Be safe and we all look forward to welcoming you back on **Wednesday 4th September** for what I am sure will be another successful year for St Martin de Porres.

God Bless.
